Report of Independent Auditors

The Members of the Audit Committee and the Board of Directors
Rancho San Antonio Retirement Housing Corporation and
Rancho San Antonio Retirement Services, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the consolidated financial statements of Rancho San Antonio Retirement Housing Corporation and Rancho San Antonio Retirement Services, Inc. (collectively referred to as the "Company"), which comprise the consolidated balance sheets as of December 31, 2021 and 2020, and the related consolidated statements of operations, changes in members' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Rancho San Antonio Retirement Housing Corporation and Rancho San Antonio Retirement Services, Inc., as of December 31, 2021 and 2020, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rancho San Antonio Retirement Housing Corporation and Rancho San Antonio Retirement Services, Inc., and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rancho San Antonio Retirement Housing Corporation and Rancho San Antonio Retirement Services, Inc.'s ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rancho San Antonio Retirement Housing Corporation and Rancho San Antonio Retirement Services, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rancho San Antonio Retirement Housing Corporation and Rancho San Antonio Retirement Services, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal-control-related matters that we identified during the audit.

Other Matter*Supplementary Information*

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating balance sheet and consolidating statement of operations, as of and for the year ended December 31, 2021, for Rancho San Antonio Retirement Housing Corporation and Rancho San Antonio Retirement Services, Inc., presented as supplementary information, are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. Such information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

A handwritten signature in black ink that reads "Moss Adams LLP". The signature is written in a cursive, flowing style.

Rancho San Antonio Retirement Housing Corporation and Rancho San Antonio Retirement Services, Inc. Notes to Consolidated Financial Statements

NOTE 1 – DESCRIPTION OF THE ORGANIZATION

Rancho San Antonio Retirement Housing Corporation ("RHC"), a California taxable nonprofit mutual benefit corporation, owns The Forum at Rancho San Antonio (the "Community"), which contains 342 independent living units and a healthcare facility (the "Healthcare Center") in Cupertino, California.

Rancho San Antonio Retirement Services, Inc. ("RSI"), is a separate California taxable nonprofit mutual benefit corporation that provides healthcare services to members of the Community and the general public. RSI leases the Healthcare Center from RHC. The Healthcare Center contains 48 nursing beds and 58 assisted living suites. Members of the Community pay a separate monthly fee to RSI for the Healthcare Center and its services. The California Department of Social Services ("DSS") and the California Department of Health Services ("DHS") have certified RHC and RSI to provide care to members of the Community and the public.

A mutual benefit corporation is formed to provide an association of tenant members a common benefit of managing common property. Due to its private purpose, the corporation pays the same taxes as regular for-profit corporations.

Residents of the independent living units of the Community are required to purchase memberships in RHC and to enter into occupancy and healthcare agreements with RHC and RSI, respectively. The memberships are nonrefundable but are transferable at the option of the member, with RHC receiving 50% of the appreciation, if any, upon resale of memberships. Members' equity includes all capital raised from the initial sale of all available cooperative memberships in RHC. The initial sale of all memberships was completed by December 31, 1996.

The Community has received approval from the Cupertino City Council for a significant renovation and additions project for its existing campus. The project will result in up to 23 new independent living villas (detached, single-family homes), 10 new beds, approximately 45,000 square feet of renovations and additions to the skilled nursing facility, approximately 10,500 square feet of renovations to the assisted living facility, 26 new beds in an approximately 39,000-square-foot new memory care building, and approximately 27,000 square feet of renovations and additions to the commons facilities (dining). The project will also include one new internally accessible roadway to accommodate the new independent living villas and minor changes to the internal on-site circulation system, as well as new landscaping and skilled facilities. As of December 31, 2021, the total project commitment amount is approximately \$105,000,000.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of consolidation – The consolidated financial statements include the accounts of RHC and RSI, of which RHC is the sole member. RHC and RSI are collectively referred to as the "Company." All significant intercompany accounts and transactions have been eliminated in consolidation.

Cash and cash equivalents – Cash and cash equivalents include demand deposit accounts and money market investment accounts with original maturities of three months or less.

**Rancho San Antonio Retirement Housing Corporation and
Rancho San Antonio Retirement Services, Inc.
Notes to Consolidated Financial Statements**

The following table provides a reconciliation of cash, cash equivalents, and restricted cash balances within the consolidated balance sheets that sums to the total of the same amounts shown in the consolidated statements of cash flows:

	2021	2020
Reconciliation of cash, cash equivalents, and restricted cash		
Cash and cash equivalents	\$ 19,640,636	\$ 15,859,700
Total cash, cash equivalents, and restricted cash on the consolidated statements of cash flows	\$ 19,640,636	\$ 15,859,700

Investments – The Company's investments are included in the following captions on the consolidated balance sheets: investments and board-designated investments. Investments consist of marketable investment securities (see Note 3). Investment income or loss, including realized gains and losses on investments, interest, and dividends, is included in interest and investment income on the consolidated statements of operations. Unrealized gains and losses on investments are included in net unrealized gains on investments on the consolidated statements of operations. As of December 31, 2021 and 2020, the net accumulated unrealized gains on investments were \$7,773,170 and \$6,324,848, respectively.

Accounts receivable – The Company provides services to residents and nonresidents even though they may lack adequate funds or may participate in programs that do not pay full charges. The Company receives payments for health services from residents and nonresidents, insurance companies, Medicare, HMOs, and other third-party payors. As a result, the Company is exposed to certain credit risk. The Company manages its risk by regularly reviewing its account and providing appropriate implicit and explicit price concessions.

Inventories – Inventories primarily consist of food and nursing supplies and are stated at the lower of cost or net realizable value on a first-in, first-out basis.

Property and equipment – Property and equipment are recorded at cost. Depreciation is computed on the straight-line method over the estimated useful lives of the related assets as follows:

Land rights	85 years
Building	40 years
Land and building improvements	8 to 40 years
Furniture, fixtures, and equipment	3 to 10 years

The land on which the Community is constructed is leased under an operating lease that expires in 2072. At the inception of the lease, \$13,080,000 was paid to the property owner, which represented the total lease payments required on the lease. Amounts paid under the lease are included in land rights and improvements and are amortized on the straight-line method over the term of the lease.

Rancho San Antonio Retirement Housing Corporation and Rancho San Antonio Retirement Services, Inc.

Notes to Consolidated Financial Statements

Impairment of long-lived assets – Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. The Company has determined that no such basis adjustment was necessary at December 31, 2021 and 2020.

Board-designated investments – Board-designated investments are funds designated for property, equipment repairs and replacements, and insurance costs. Board-designated investments also include the following:

Member advances – Under the terms of the healthcare agreement, if a member has received more than 90 consecutive days of care in RSI and sells his or her membership in RHC, the resident is required to advance RSI the lesser of \$300,000 or the net proceeds from the sale. The advance is to be repaid, without interest, within 90 days after the termination of the member's healthcare agreement. Member advances are available for use by RSI at the discretion of management and the Board of Directors.

Unexpended escrow transaction and exit fees for Healthcare Center purposes – Unexpended escrow transaction and exit fees for Healthcare Center purposes are maintained by RHC for the purpose of funding operations of the Healthcare Center, including, but not limited to, general operating expenses, capital repairs, replacements and expansion, and construction of new facilities.

Obligation to provide future services – Management annually calculates the present value of the net cost (difference between cost to operate and maintenance fees charged) of future services and use of the Continuing Care Retirement Community ("CCRC") to be provided to current residents and compares the amount with the balance of deferred escrow transaction fees from the residents. If the present value of the net cost of future services and use of the CCRC exceeds the deferred escrow transaction fees, a liability is recorded with the corresponding charge to income. No liability was recorded at December 31, 2021 and 2020. The discount rate used to calculate the obligation to provide future services is 6% for 2021 and 2020.

Revenue recognition – The revenues include resident services revenue, ancillary revenue, appreciation on resale of memberships, commission on sale of memberships, and escrow transaction fees amortization and exit fees.

Resident services revenue – Resident services revenue is reported at the amount that reflects the consideration to which the Company expects to be entitled to in exchange for the services provided. Resident service revenues generated from monthly occupancy fees for independent living units, assisted living units, assisted living suites, and nursing beds are recognized monthly based on the terms of the occupancy and service agreements in accordance with provisions in Accounting Standards Codification ("ASC") Topic 840, *Leases*.

**Rancho San Antonio Retirement Housing Corporation and
Rancho San Antonio Retirement Services, Inc.
Notes to Consolidated Financial Statements**

Ancillary revenue – Ancillary revenue on the consolidated statements of operations includes revenue from independent living of \$120,391 and \$125,773 for the years ended December 31, 2021 and 2020, respectively, which is recognized in accordance with ASC 840. The remaining ancillary revenues from supplementary services and other items requested by the resident is reported at the amount that reflects the consideration to which the Company expects to be entitled to in exchange for providing these services. These amounts are due from residents, third-party payors (including health insurers), Medicare, and others. Revenue is recognized in the month in which the performance obligations are satisfied.

Revenue for health service performance obligations satisfied over time is recognized based on actual charges incurred. The Company believes this method provides a faithful depiction of the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation. Generally, performance obligations satisfied over time relate to residents in the assisted living and skilled nursing facility. The Company measures the performance obligation from admission into assisted living and the skilled nursing facility to the point when it is no longer required to provide health care services to that resident, which is generally at the time of discharge.

The Company determines the transaction price based on standard charges for goods and services provided, reduced by implicit and explicit price concessions provided to Medicare and third-party payors. The Company determines its estimates of implicit and explicit price concessions based on contractual agreements and historical experience.

Agreements with Medicare and third-party payors provide for payments at amounts less than established charges. A summary of the payment arrangements with Medicare and third-party payors follows:

- Medicare: Certain health care services are paid at prospectively determined rates per discharge based on clinical, diagnostic, or other factors. Certain services are paid based on cost-reimbursement methodologies subject to certain limits. Physical services are paid based upon established fee schedules.
- Third-party payors: Payment agreements with certain commercial insurance carriers, health maintenance organizations, and preferred provider organizations provide for payment using prospectively determined rates per discharge, discounts from established charges, and prospectively determined daily rates.

Resident and ancillary revenues include amounts estimated by management to be reimbursable by the Medicare program. Reimbursements (cost-based or otherwise) are subject to examination by agencies administering the program, and provisions are made for potential retroactive adjustments. To the extent those provisions vary from settlements, operations are charged or credited as the adjustments become known.

Generally, patients who are covered by Medicare and third-party payors are responsible for related deductibles and coinsurance, which vary in amount. The Company estimates the transaction price for patients with deductibles and coinsurance based on historical experience and current market conditions. The initial estimate of the transaction price is determined by reducing the standard charge by any implicit and explicit price concessions determined on a resident-by-resident basis. Subsequent changes to the estimate of the transaction price are generally recorded as adjustments to ancillary revenue in the period of the change. Subsequent changes that are determined to be the result of an adverse change in the resident's ability to pay are recorded as bad debt expense. Bad debt expense for the years ended December 31, 2021 and 2020, was not significant.

**Rancho San Antonio Retirement Housing Corporation and
Rancho San Antonio Retirement Services, Inc.
Notes to Consolidated Financial Statements**

The following table shows ancillary revenue by line of service:

	<u>2021</u>	<u>2020</u>
Ancillary line of service		
Assisted living	\$ 509,275	\$ 508,817
Skilled nursing facility	<u>337,489</u>	<u>403,844</u>
	<u>\$ 846,764</u>	<u>\$ 912,661</u>

Appreciation on resale of memberships – Upon the sale of a resident’s membership, the resident pays RHC a “shared appreciation fee” based on a portion of the appreciation in the membership. The shared appreciation fee is equal to one half of the excess, if any, of (a) the greater of (i) the fair market value of the membership, as determined by a M.A.I. appraiser selected by RHC, or (ii) the gross sale price of the membership, not reduced by any commissions, taxes, fees, or charges incidental to the sale; over (b) the membership purchase price. Revenue is recognized for this shared appreciation fee in the period that escrow closes on the sale of the membership, which is when the performance obligation is satisfied.

Commission on sale of memberships – Upon sale of a resident’s membership, the resident pays a RHC a sales commission. The commission is 1% of the greater of (i) the fair market value of the membership, as determined by a M.A.I. appraiser selected by RHC, or (ii) the gross sale price of the membership, not reduced by any commissions, taxes, fees, or charges incidental to the sale. Revenue is recognized for this commission in the period that escrow closes on the sale of the membership, which is when the performance obligation is satisfied.

Escrow transaction fees amortization and exit fees – RHC charges escrow transaction fees to buyers of occupancy rights and exit fees to sellers of occupancy rights as per the occupancy agreement. These fees are collected by RHC and are held for the purpose of funding the Healthcare Center operations and Community capital needs. The basic residence agreement creates a performance obligation to be satisfied over the resident’s remaining life at the Company. Escrow transaction fees of \$20,000 per resident, collected from buyers, are recognized on a straight-line basis over the actuarially determined life expectancy of the resident. The performance obligation is satisfied upon termination of the residency agreement. Exit fees collected from sellers, which are calculated as 4% of the greater of the carrying book value of the occupancy rights or the gross sales proceeds of the sale of such occupancy rights, are recognized at close of escrow.

Tax status of RHC and RSI – RHC qualifies as a cooperative under Section 216 of the Internal Revenue Code, as amended. To qualify as a cooperative, certain limitations must be met as to the nature of RHC’s revenue. For the years ended December 31, 2021 and 2020, management believes that this requirement has been met because more than 80% of the revenue earned was from resident sources.

RHC and RSI are subject to federal and state income taxes and provide for income taxes under the asset and liability method in accordance with Financial Accounting Standards Board (“FASB”) ASC Topic 740, *Income Taxes*.

**Rancho San Antonio Retirement Housing Corporation and
Rancho San Antonio Retirement Services, Inc.
Notes to Consolidated Financial Statements**

Fair value measurements – FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, prescribes fair value measurements and disclosures for financial and nonfinancial assets and liabilities that are recognized or disclosed at fair value in the consolidated financial statements. FASB ASC Topic 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. FASB ASC Topic 820 also establishes a framework for measuring fair value and expands disclosures about fair value measurements.

The carrying amounts reported in the consolidated balance sheets for cash and cash equivalents, accounts receivable, prepaid expenses & other assets, accrued liabilities, deferred escrow transaction fees, member advances, and long-term debt approximate fair value. The fair values of investments and interest rate swap are disclosed in Note 3.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities as of the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Accounting estimates include implicit and explicit price concessions, fair value of investments and interest rate swap, liability for deferred escrow transaction fees, calculation of future service benefit obligation, and useful lives of fixed assets.

Concentration of risk – Financial instruments potentially subjecting the Company to concentrations of credit risk consist primarily of bank demand deposits in excess of Federal Deposit Insurance Corporation (“FDIC”) and Securities Investor Protection Corporation (“SIPC”) limits and accounts receivable.

The Company also grants credit without collateral to its patients, most of whom are individuals insured under third-party payor agreements. The Company manages its collection risk by regularly reviewing its accounts and contracts and by providing appropriate allowances. The mix of receivables from patients and third-party payors was as follows as of December 31:

	2021	2020
Medicare	27%	26%
Private pay	67%	72%
Third-party insurance	4%	2%
Other payors	2%	-
	100%	100%

Rancho San Antonio Retirement Housing Corporation and Rancho San Antonio Retirement Services, Inc.

Notes to Consolidated Financial Statements

Professional liability insurance – The Company insures for professional liability claims under a claims-made policy. Under the policy, insurance premiums cover only those claims actually reported during the policy term, up to \$1,000,000 of coverage for each occurrence and \$3,000,000 in aggregate. Should the claims-made policy not be renewed, or replaced with equivalent insurance, claims related to occurrences during their terms but reported subsequent to their termination may be uninsured. Management is not aware of any pending claims that exceed the coverage limitations provided by their policy. Management is of the opinion that the impact, if any, is immaterial, and any settlement would not have a material adverse effect on the Company's consolidated financial position or results of operations. Management's estimate of the Company's liability for expected losses from reported and unreported incidents is based on the Company's historical claim experience within stop-loss coverage limits. The accrual for this liability is included in accrued liabilities on the consolidated balance sheets.

Interest rate swap agreement – The Company uses derivative instruments in the form of an interest rate swap to hedge the risk of overall changes in cash flows attributable to changes in interest rates related to its construction loan, using a method that approximates the effective interest rate method. The Company does not use derivatives for speculative purposes. See Note 4 for a full description of the interest rate swap agreement.

CARES Act grant – On March 11, 2020, the World Health Organization declared the novel coronavirus ("COVID-19") a global pandemic and recommended containment and mitigation measures worldwide. Management is closely monitoring the evolution of this pandemic, including how it may affect operations and the general population. Management has not yet determined the full financial impact of these events.

On March 27, 2020, the United States Congress passed the Coronavirus Aid, Relief, and Economic Securities ("CARES") Act. The CARES Act included provisions for healthcare under the Provider Relief Fund. During 2021 and 2020, the Company received funds under the Provider Relief Fund, administered by the U.S. Department of Health & Human Services ("HHS") of \$85,372 and \$761,867, respectively. The Company was required to and did timely sign attestations agreeing to the terms and conditions of payment. Those terms and conditions include measures to prevent fraud and misuse. Documentation is required to ensure that these funds are to be used for healthcare-related expenses or lost revenue attributable to COVID-19, limitations of out-of-pocket payments from certain patients, and the acceptance of several other reporting and compliance requirements. It is noted that anti-fraud monitoring and auditing will be performed by HHS and the Office of the Inspector General. For the years ended December 31, 2021 and 2020, the Company has recognized \$85,372 and \$761,867 of the Provider Relief Fund, included as "other revenue" in the consolidated statements of operations.

Advertising costs – The Company expenses advertising costs as incurred. Advertising costs totaled \$392,110 and \$237,081 for the years ended December 31, 2021 and 2020, respectively.

Net operating income (loss) – The statements of operations include net operating income (loss). Other income and expenses, which are excluded from net operating income (loss), consistent with industry practice, include escrow transaction fees amortization and exit fees, interest expense, unrealized loss on interest rate swap, and other expense.

**Rancho San Antonio Retirement Housing Corporation and
Rancho San Antonio Retirement Services, Inc.
Notes to Consolidated Financial Statements**

Recent accounting pronouncements – In February 2016, the FASB issued Accounting Standards Update (“ASU”) No. 2016-02, *Leases (Topic 842)* (“ASU 2016-02”), which increases transparency and comparability among organizations by recognizing lease assets and lease liabilities on the statement of financial position and disclosing key information about leasing arrangements in the financial statements of lessees. This update is effective for fiscal years beginning after December 15, 2021, with early adoption permitted. The adoption is effective for the Company for fiscal year ending December 31, 2022. Management is currently evaluating the impact of the provisions of ASU 2016-02 on the consolidated financial statements.

In March 2020, the FASB issued ASU No. 2020-04, *Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting* (“ASU 2020-04”), to provide optional expedients and exceptions for applying U.S. GAAP to contracts, hedging relationships, and other transactions affected by reference rate reform if certain criteria are met. This update is as of March 12, 2020 through December 31, 2022. Management is currently evaluating the impact of the provisions of ASU 2020-04 on the consolidated financial statements.

NOTE 3 – FAIR VALUE OF ASSETS AND LIABILITIES

FASB ASC Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 – Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date.

Level 2 – Inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 – Inputs are unobservable inputs for the asset or liability.

The level in the fair value hierarchy within which a fair value measurement falls is based on the lowest level input that is significant to the fair value measurement, in its entirety.

The fair values of the financial instruments, as of December 31, 2021 and 2020, represent management's best estimates of the amounts that would be received to sell those assets or that would be paid to transfer those liabilities in an orderly transaction between market participants at that date. Those fair value measurements maximize the use of observable inputs. However, in situations where there is little, if any, market activity for the asset or liability at the measurement date, the fair value measurement reflects management's own judgments about the assumptions that market participants would use in pricing the asset or liability. Those judgments are developed by management based on the best information available in the circumstances.

**Rancho San Antonio Retirement Housing Corporation and
Rancho San Antonio Retirement Services, Inc.
Notes to Consolidated Financial Statements**

The following methods and assumptions were used to estimate the fair value of each class of financial instruments:

Marketable investment securities – Marketable equity securities, corporate bonds, and fixed income funds are measured using quoted market prices at the reporting date multiplied by the quantity held. For the years ended December 31, 2021 and 2020, management has performed a qualitative assessment and has determined that no securities were impaired.

Interest rate swap agreement – The fair value is estimated by a third-party using inputs that are observable or that can be corroborated by observable market data and, therefore, are classified within Level 2 of the valuation hierarchy.

The following tables present the fair value measurements of assets and liabilities recognized in the accompanying consolidated financial statements measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31:

Description	2021			Total
	Level 1	Level 2	Level 3

Total	\$ 28,754,041	\$ -	\$ -	\$ 28,754,041

Investments, at fair value, at December 31, included the following:

	2021	2020
Investments	\$ 11,512,696	\$ 10,510,781
Board-designated investments	19,987,991	18,243,260
	\$ 31,500,687	\$ 28,754,041

NOTE 4 – LONG-TERM DEBT

Construction loan payable – On December 11, 2018, the Company obtained a \$75,000,000 construction loan due December 10, 2021, from BBVA. In 2021, BBVA was purchased by PNC Bank, and the debt was automatically transferred to PNC Bank. In March 2022, the maturity date of the loan was extended to December 10, 2023. Under the terms of the construction loan payable to PNC Bank, the Company is required to comply with certain debt covenants with respect to additional borrowings, financial reporting, and maintenance of certain financial ratios. Management believes they are in compliance with these covenants as of December 31, 2021.

**Rancho San Antonio Retirement Housing Corporation and
Rancho San Antonio Retirement Services, Inc.
Notes to Consolidated Financial Statements**

Construction loan payable consisted of the following at December 31:

	2021	2020
Construction loan payable to PNC Bank with a maturity date of December 10, 2023, with a variable interest rate of LIBOR-based rate plus applicable margin. This rate was 1.64% at December 31, 2021. Principal payable upon close of each independent living unit sale with interest payable monthly. Collateralized with the first leasehold deed of trust on the 23600 Via Esplendor property and 23500 Cristo Rey Drive property.	\$ 6,498,533	\$ 25,130,958
Less: current portion	-	25,130,958
	\$ 6,498,533	\$ -

Paycheck Protection Program loan – In May 2020, RHC and RSI entered into loan agreements with BBVA for \$1,705,295 and \$1,931,879, respectively. Both loans were granted as part of the U.S. Small Business Administration (“SBA”) Paycheck Protection Program under the CARES Act, to help small businesses and organizations maintain payroll in light of the COVID-19 pandemic. Both loans bear an interest rate at 1% per year and mature in May 2022. The loans are guaranteed by the SBA and no payments are due on either loan for the first 10 months. The loans are subject to partial or full forgiveness if the Company uses all proceeds for eligible purposes; maintains certain employment levels; and maintains certain compensation levels in accordance with and subject to the CARES Act and the rules, regulations, and guidance. In 2021, BBVA was purchased by PNC Bank, and the debt was automatically transferred to PNC Bank. The Company applied for loan forgiveness for both loans. RHC’s loan forgiveness was granted on February 9, 2022, for \$1,587,560 principal and \$28,488 interest. RSI’s loan forgiveness was granted on March 25, 2022, for \$1,741,746 principal and \$33,238 interest. It is the Company’s policy to account for this loan in accordance with FASB Accounting Standards Codification Topic 470, *Debt*, with interest accrued and expensed over the term of the loan, or until forgiveness is granted, releasing the Company from the obligation.

Interest Rate Swap – In December 2018, RHC entered into an interest rate swap agreement with BBVA for \$32,000,000 to reduce the risk of overall changes in cash flows attributable to changes in interest rates related to the construction loan. The effective date was December 10, 2021, and maturing on December 10, 2031. In 2021, BBVA was purchased by PNC Bank, and the swap agreement was automatically transferred to PNC Bank. Changes in fair value are recognized as nonoperating other income (expense) on the consolidated statements of operations. At December 31, 2021, the interest rate swap agreement was in a liability position with a fair value of (\$5,008,020).

NOTE 5 – MANAGEMENT SERVICES

In June 2012, the Company entered into a management agreement with Life Care Services, LLC (the “Manager”), for a term of five years, which was extended through May 31, 2022, with an optional automatic successive five years’ of annual renewal unless written notice of intent not to renew by either party is provided at least 365 days prior to the end of each year. The fee paid to the Manager is 4.19% of gross revenue, as defined in the management agreement. Management fees totaled \$1,443,110 and \$1,454,463 for the years ended December 31, 2021 and 2020, respectively.

**Rancho San Antonio Retirement Housing Corporation and
Rancho San Antonio Retirement Services, Inc.
Notes to Consolidated Financial Statements**

The Manager utilizes its centralized payroll, purchasing, distribution functions, and employee benefit plans.

NOTE 6 – CONTINUING CARE RESERVE REQUIREMENTS

RHC is subject to statutory reserve requirements. At December 31, 2021 and 2020, RHC's reserves, as calculated in accordance with Continuing Care Contract Statutes of the California Health and Safety Code, were in excess of such requirements.

NOTE 7 – INCOME TAXES

The provision for income taxes was \$154,684 and \$800 for the years ended December 31, 2021 and 2020, respectively.

Deferred taxes are recorded for differences in the timing of the recognition of revenues and expenses for financial reporting and income tax purposes. A deferred tax asset is recognized for all deductible temporary differences and operating loss carryforwards. A valuation allowance is recognized if it is more likely than not that some portion or all of the deferred tax asset will not be recognized.

	2021	2020
Deferred income tax assets (liabilities):		
Net operating loss, capital loss, and contributions carryover	\$ 5,127,695	\$ 4,179,730
Buyers fees	998,162	780,162
Depreciation	(1,439,294)	(259,645)
Bad debts	11,193	7,654
Accrued liabilities and change in accounting method	230,533	215,216
Unrealized gain on securities	(1,675,074)	(21,799)
Unrealized loss on interest rate swap	1,401,424	-
	4,654,639	4,901,318
Total deferred income tax assets		
Valuation allowance	(4,654,639)	(4,901,318)
	\$ -	\$ -
Net deferred income taxes		

The valuation allowance decreased by \$246,679 during the year ended December 31, 2021, and increased by \$637,807 during the year ended December 31, 2020.

Net operating losses incurred after December 31, 2017, can only offset 80% of taxable income. However, these net operating losses may be carried forward indefinitely instead of limited to 20 years under previous tax law. Carrybacks of these losses are no longer permitted. Net operating loss carryforwards for federal tax purposes amount to approximately \$22,914,121, of which \$17,176,999 began to expire in 2021 and \$5,737,122 may be carried forward indefinitely. Net operating loss carryforwards for California tax purposes amount to approximately \$4,413,266 and begin to expire in 2032.

Management has evaluated the Company's tax positions and concluded that the Company had taken no uncertain tax positions that require adjustment to the consolidated financial statements.

**Rancho San Antonio Retirement Housing Corporation and
Rancho San Antonio Retirement Services, Inc.
Notes to Consolidated Financial Statements**

NOTE 8 – COMMITMENTS AND CONTINGENCIES

In the ordinary course of business, the Company may be a party to claims and legal actions. While the outcome cannot be determined at this time, management's opinion is the liability, if any, from these actions will not have a material adverse effect on the Company's consolidated financial position or results of operations.

NOTE 9 – HEALTH AND SAFETY CODE SECTION 1790(a)(3) DISCLOSURE

The following disclosure is made pursuant to Section 1790(a)(3) of the California Health & Safety Code: Through December 31, 2021, the Company has expended \$78,600,253 for the new buildings and major renovations project.

NOTE 10 – SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after the consolidated balance sheet date but before consolidated financial statements are available to be issued. The Company recognizes in the consolidated financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the consolidated balance sheet, including the estimates inherent in the process of preparing the consolidated financial statements. The Company's consolidated financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the consolidated balance sheet but arose after the consolidated balance sheet date and before consolidated financial statements are available to be issued.

Subsequent events have been evaluated through April 28, 2022, which is the date the consolidated financial statements are available to be issued.

Report of Independent Auditors

The Members of the Audit Committee and the Board of Directors
Rancho San Antonio Retirement Housing Corporation and
Rancho San Antonio Retirement Services, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Rancho San Antonio Retirement Housing Corporation and Rancho San Antonio Retirement Services, Inc. (collectively referred to as the "Company"), which comprise the continuing care liquid reserve schedules, Form 5-1 through Form 5-5, as of and for the year ended December 31, 2021, and the related note to the continuing care liquid reserve schedules.

In our opinion, the accompanying financial statements present fairly, in all material respects, the continuing care reserves of the Company as of and for the year ended December 31, 2021, in conformity with the liquid reserve requirements of California Health and Safety Code Section 1792.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rancho San Antonio Retirement Housing Corporation and Rancho San Antonio Retirement Services, Inc., and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the liquid reserve requirements of California Health and Safety Code Section 1792, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rancho San Antonio Retirement Housing Corporation and Rancho San Antonio Retirement Services, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rancho San Antonio Retirement Housing Corporation and Rancho San Antonio Retirement Services, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal-control-related matters that we identified during the audit.

Basis of Accounting

We draw attention to the basis of accounting used to prepare the financial statements. The financial statements are prepared by the Company on the basis of the liquid reserve requirements of California Health and Safety Code Section 1792, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of California Health and Safety Code Section 1792. Our opinion is not modified with respect to this matter.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Supplementary Form 5-5, Reconciliation to Audit Report, presented as a supplementary schedule, is presented for the purpose of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements, and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with the auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Restriction on Use

Our report is intended solely for the information and use of the Board of Directors and management of the Company, and the California Department of Social Services, and is not intended to be, and should not be, used by anyone other than these specified parties.

DEBT SERVICE COVERAGE RATIO

$$\frac{\begin{array}{l} \text{Total Excess of Revenues over Expenses} \\ + \text{ Interest, Depreciation, and Amortization Expenses} \\ \text{Amortization of Deferred Revenue} + \text{ Net Proceeds from Entrance Fees} \end{array}}{\text{Annual Debt Service}}$$

DAYS CASH ON HAND RATIO

$$\frac{\begin{array}{l} \text{Unrestricted Current Cash \& Investments} \\ + \text{ Unrestricted Non-Current Cash \& Investments} \end{array}}{(\text{Operating Expenses} - \text{Depreciation} - \text{Amortization})/365}$$

NOTE: These formulas are also used by the Continuing Care Accreditation Commission. For each formula, that organization also publishes annual median figures for certain continuing care retirement communities.

FORM 7-1
REPORT ON CCRC MONTHLY SERVICE FEES

	RESIDENTIAL LIVING	ASSISTED LIVING	SKILLED NURSING
[1] Monthly Service Fees at beginning of reporting period: (Indicate range, if applicable)	\$2699-\$7139 plus \$771 HC Fee	\$4715 plus \$771 HC Fee	\$6768 plus \$771 HC Fee
[2] Indicate percentage of increase in fees imposed during reporting period: (Indicate range, if applicable)	5.0% and 5.0% HC Fee	2.4% and 5.0% HC Fee	3.2% and 5.0% HC Fee

Check here if monthly service fees at this community were not increased during the reporting period. (If you checked this box, please skip down to the bottom of this form and specify the names of the provider and community.)

[3] Indicate the date the fee increase was implemented: Jan 1, 2021
(If more than 1 increase was implemented, indicate the dates for each increase.)

[4] Check each of the appropriate boxes:

- Each fee increase is based on the provider's projected costs, prior year per capita costs, and economic indicators.
- All affected residents were given written notice of this fee increase at least 30 days prior to its implementation. **Date of Notice:** Oct 30, 2020
Method of Notice: Meeting and Mail
- At least 30 days prior to the increase in monthly service fees, the designated representative of the provider convened a meeting that all residents were invited to attend. **Date of Meeting:** Sep 24 2020
- At the meeting with residents, the provider discussed and explained the reasons for the increase, the basis for determining the amount of the increase, and the data used for calculating the increase.
- The provider provided residents with at least 14 days advance notice of each meeting held to discuss the fee increases. **Date of Notice:** Sep 10 2020
- The governing body of the provider, or the designated representative of the provider posted the notice of, and the agenda for, the meeting in a conspicuous place in the community at least 14 days prior to the meeting. **Date of Posting:** Sep 10 2020
Location of Posting: Mail Box Area

[5] On an attached page, provide a concise explanation for the increase in monthly service fees including the amount of the increase.

PROVIDER: Rancho San Antonio, RHC & RSI
COMMUNITY: Rancho San Antonio, RHC & RSI

**Form 7-1 Attachment
Monthly Care Fee Increase**

[Note: The provider must include a narrative with this attachment to explain how they complied with the Health and Safety Code. Below is an example how the monthly care fee increase was determined in conjunction with the narrative using projected costs. The attachment does not address "Per Capita Costs" but could partly incorporate elements of "Economic Indicators" into the function of projecting future costs.]

**FORM 7-1 MONTHLY CARE FEE INCREASE (MCFI)

	Monthly Care Fee Increase:			-\$5,166
				3.5%

Narrative

FY20: Sufficient Fee increases were needed to support the competitive labor market.

FY21: Sufficient Fee increases were needed to ensure continuity during the Pandemic. Lower Occupancy pressure as well as hyper competitive labor market were drivers.

- < 1 > Enter the total operating expenses from the independent audit of the Statement of Operations
- < 2 > Internal Accounting and Budget Records does not include entrance fees
- < 3 > "Adjustments" can include but not limited to reserves
- < 4 > "Other" can include but not limited to Contributions and Ancillary

ATTACHMENT TO FORM 7-1
REPORT ON CCRC MONTHLY SERVICE FEES
EXPLANATION FOR INCREASE IN MONTHLY SERVICE FEES
THE FORUM AT RANCHO SAN ANTONIO

The goal of The Forum's annual budgeting and rate setting process is to establish an operational and financial plan that meets the current needs of the residents by delivering upon our contractual obligations to the membership, that meets resident satisfaction survey metrics, and that maintains or strengthens the balance sheet.

Monthly Independent Living Occupancy Fees were increased 5.0% while Monthly Healthcare Occupancy Fees were increased between 2.4% - 3.2%. Miscellaneous Ancillaries were relatively flat. 2021 was planned to be a cautious year, as the effects of Covid-19 were still being contemplated. The uncertainties of the pandemic on occupancy and census as well as staffing were real and present. Ensuring staffing continuity and salary competitiveness was critical. The financial plan and corresponding fee schedules were tuned to support this priority.

The resulting Net Operating Income allows the Community to support the competitive labor pool while ensuring sufficient resources to provide the services and experiences committed to the residents, allowing continued investment in capital growth and improvements.

KEY INDICATORS REPORT: Rancho San Antonio, RHC & RSI

Date Prepared: 4/28/22

Key Indicators Report

2021 Narrative

Beginning December 2018, The Forum began a multi-year Construction project – the Master Plan. The scope of the investment is:

- Build 23 new Independent Living Villas
- Build a 26 resident capacity state of the art Memory Care building
- Build a 28 resident capacity new Skilled Nursing building
- Renovate the current Skilled Nursing building
- Renovate the Independent Living Dining Room

Resident Proceeds from the 23 new Villas were used to pay down a large portion of the construction loan. After the Master Plan investment is complete, we anticipate a \$38M long-term loan balance.

Net Operating Margin will decline during construction as capacity will be temporarily reduced to renovate the current Skilled Nursing building. Once all construction completes and occupancy and census stabilize, margins will grow to pre-construction levels.

Days Cash On Hand metrics will decline during construction, as Revenue will lag expenses initially, but will eventually turn around and become accretive to operations. The Forum is currently in an Interest-Only capitalized loan. Once construction ends and loan payments commence, DCOH will decline until full census and occupancy is established, and when planned roofing and elevator renovations are completed.

Average Annual Effective Interest Rate is growing over time. The current 5-year construction loan (2018-2023) is based on market rates. Current Rates are extremely favorable, given the Covid-19 response by The Fed. As of December 2021, an interest rate SWAP commended, based on a December 2018 Agreement. Rates were fixed at 4.64%. Once the construction period ends, the Forum will convert to a long-term arrangement.

Average Age of Facility trends upwards during Master Plan construction. Once the buildings and renovations are complete, the average age will begin to taper downward, and Capital Spending and Depreciation will begin to normalize.

Addendum to Annual Report

2021 Checklist

**The Forum at Rancho San Antonio
 Assessment and Reserve Funding Disclosure Summary
 Reserve Study - Fiscal Year Ending 2019
 For Budget Year Beginning 2021**

(1) The regular assessment per ownership interest is \$609.16 per month.

Note: If assessments vary by the size or type of ownership interest, the assessment applicable to this ownership interest may be found on page N/A of the attached summary.

(2) Additional regular or special assessments that have already been scheduled to be imposed or charged, regardless of the purpose, if they have been approved by the board and/or members:

Date assessment will be due:	Amount per ownership interest per month or year (If assessments are variable, see note immediately below):	Purpose of the assessment:
	N/A	
	Total: N/A	

Note: If assessments vary by the size or type of ownership interest, the assessment applicable to this ownership interest may be found on page N/A of the attached report.

(3) Based upon the most recent reserve study and other information available to the board of directors, will currently projected reserve account balances be sufficient at the end of each year to meet the association's obligation for repair and/or replacement of major components during the next 30 years?

Yes X No

(4) If the answer to (3) is no, what additional assessments or other contributions to reserves would be necessary to ensure that sufficient reserve funds will be available each year during the next 30 years that have not yet been approved by the board or the members?

Approximate date assessment will be due:	Amount per ownership interest per month or year:
	Total: N/A

(5) All major components are included in the reserve study and are included in its calculations.

(6) Based on the method of calculation in paragraph (4) of subdivision (b) of Section 5570, the estimated amount required in the reserve fund at the end of the current fiscal year is **\$15,918,000**, based in whole or in part on the last reserve study or update prepared by **zumBrunnen, Inc** as of **May 2019**. The projected reserve fund cash balance at the end of the current fiscal year is **\$5,816,444**, resulting in reserves being **37** percent funded in **December 2021**.

If an alternate, but generally accepted, method of calculation is also used, the required reserve amount is **\$N/A**.

(7) Based on the method of calculation in paragraph (4) of subdivision (b) of Section 5570 of the Civil Code, the estimated amount required in the reserve fund at the end of each of the next five budget years is **\$See Below**.

Year	2021	2022	2023	2024	2025
Estimated Amount Req'd In Fund	\$15,918,000	\$14,128,000	\$15,394,000	\$16,497,000	\$17,657,000
Proj. Reserve Balance (Approved)	\$5,816,444	\$3,633,592	\$3,836,928	\$4,403,742	\$5,400,605
Percent Funded	37%	26%	25%	27%	31%

Note: The financial representations set forth in this summary are based on the best estimates of the preparer at that time. The estimates are subject to change. At the time this summary was prepared, the assumed long-term before-tax interest rate earned on reserve funds was 2.25% percent per year (2% + 0.25% current Discount Rate), and the assumed long-term inflation rate to be applied to major component repair and replacement costs was 2.5% percent per year.

(b) For the purposes of preparing a summary pursuant to this section:

(1) "Estimated remaining useful life" means the time reasonably calculated to remain before a major component will require replacement.

(2) "Major component" has the meaning used in Section 55530. Components with an estimated remaining useful life of more than 30 years may be included in a study as a capital asset or disregarded from the reserve calculation, so long as the decision is revealed in the reserve study report and reported in the Assessment and Reserve Funding Disclosure Summary.

(3) The form set out in subdivision (a) shall accompany each annual budget report or summary thereof that is delivered pursuant to Section 5300. The form may be supplemented or modified to clarify the information delivered, so long as the minimum information set out in subdivision (a) is provided.

(4) For the purpose of the report and summary, the amount of reserves needed to be accumulated for a component at a given time shall be computed as the current cost of replacement or repair multiplied by the number of years the component has been in service divided by the useful life of the component. This shall not be construed to require the board to fund reserves in accordance with this calculation.
